TO : Chief of Logistics

DATE: SEP 17 1953

FROM : Chief, Transportation Division

SUBJECT: Weekly Activity Report

1. GENERALa. Expeditious Handling of Shipment (new item - complete)

At 1400 hours, 11 September 1953, the Soviet Russia Division Coordinator telephoned the Transportation Division and requested special handling of a shipment needed in the field on 14 September 1953. By 1600 hours the same day the shipment had been packed and was enroute to the National Airport. All necessary papers have been prepared and delivered to the airport and special instructions had been arranged for transshipment from New York. The shipment left Idlewild International Airport the same day and arrived at destination on 13 September 1953, one day ahead of the deadline date.

3. OTHER ITEMS OF INTEREST

b. Department of the Army File on Section 22 Quotations  
(new item - complete)

The Office of the Chief of Transportation, Department of the Army, has established a public file containing rates tendered under the provisions of Section 22, and other appropriate sections of the Interstate Commerce Act. A thorough search of these files is being made to determine if there are any Section 22 Quotations on file which would be of interest or benefit to the Transportation Division.

Section 22 of the Act gives commercial carriers the authority to file rates, for exclusive use by Governmental Agencies, which are lower than usually allowed by the Interstate Commerce Commission.
